Swachhata Campaign in Asians Institute of Technology, Tonk

As per the guidelines of Swachhata Pakhwada Swachh Bharat Mission campaign Asians Institute of Technology, Tonk participated in the move forward making our nearby surroundings neat and clean for the whole week.

Campaign was participated by each and every person involved in the institute from Director, Principal, HOD's, Faculty members, Administrative staff and all students. Laboratories, classrooms, corridors, garden, playground and nearby areas were cleaned under this drive and pledge was taken by every person to make our surrounding neat and tidy. Hence contributing in fulfilling Mahatama Gandhiji's dream and vision to see our country as Swachh Bharat.

Jai Hind.
